Company

Johnathan Smit
(Owner)

Johnathan Smit is an entrepreneur, founder and co-founder of numerous successful small enterprises. This includes *Timbertreatment*, a company specializing in a plethora of maintenance services and small construction projects. In 2018 he immigrated to New Zealand, where he founded the company *Maintenance Concierge*.

He has delivered high quality solutions to clients like *Coca-Cola/ Valpre Bottling Plant*, *Department of International Relations*, *Impala Platinum Mines, Springs and Quadrum Office Park*, Johannesburg, to name but a few. His dedication and strength of character earned him a lot of praise and recommendations from names like *Baleys Realty Group*, *Quinovic Ponsonby* and many others, describing him as hardworking, honest, on time and able to deal with difficult challenges.

Johnathan also contributes to the lives of others with his involvement in non-profit organizations. As founder of *Peitho Coaching*, he specializes in team building, personal development, even trauma counselling. He co-founded *Silent Dads*, a non-profit organization assisting children in need of financial sponsorship for attending sports, arts and cultural activities.

With almost 20 years of construction industry experience, Johnathan's main goal is to move and transform his business to its full potential and become a market leader in the industry.
